

# Join the Movement to Show and Share God's Love for Pastors

**Being a pastor is difficult work.** Many pastors work long hours and are not paid well. The Bless Your Pastor campaign is an opportunity for churches to find creative ways to care for their shepherds.

You'll find it **easy to launch and spark excitement** in your church to Bless Your Pastor. Free resources include a short training video for church boards and leaders, and a toolkit with a brochure, template letters, videos and graphics.
